

PLAYGROUND STRUCTURE

\$80,000

Kids will feel like adventurers as they scale the colossal Denali Net, inspired by the Alaskan mountain. Denali 6M accommodates up to 20 users at a time. Every Denali Net is made from nylon-wrapped galvanized steel cable, ensuring that aspiring mountaineers will enjoy the climb for years to come!

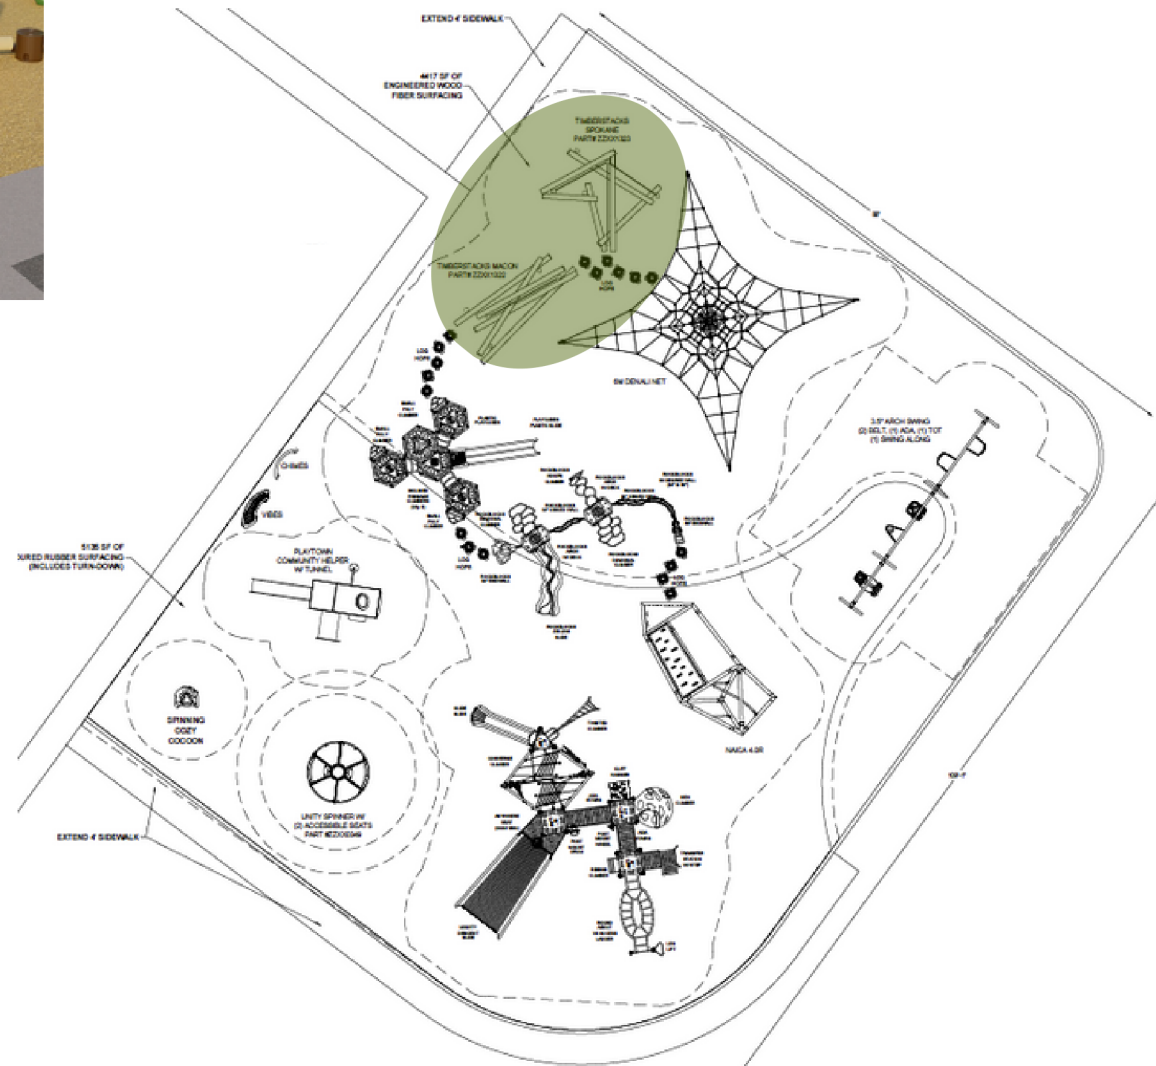

TIMBER STACKS \$40,000

Timber Stacks bring a natural feel and are made of *Robinia pseudoacacia* (black locust) logs, Timber Stacks are durable enough to stand up to the play of children for decades.

Features & Benefits:

- Open-ended design to inspire creative, unstructured play
- Activities that challenge motor planning and improve coordination
- Areas to encourage social interaction and development
- Accessible entrances/exits at ground level
- Structures will accommodate many children at once
- Black locust wood is durable, decay-resistant, and environmentally-friendly

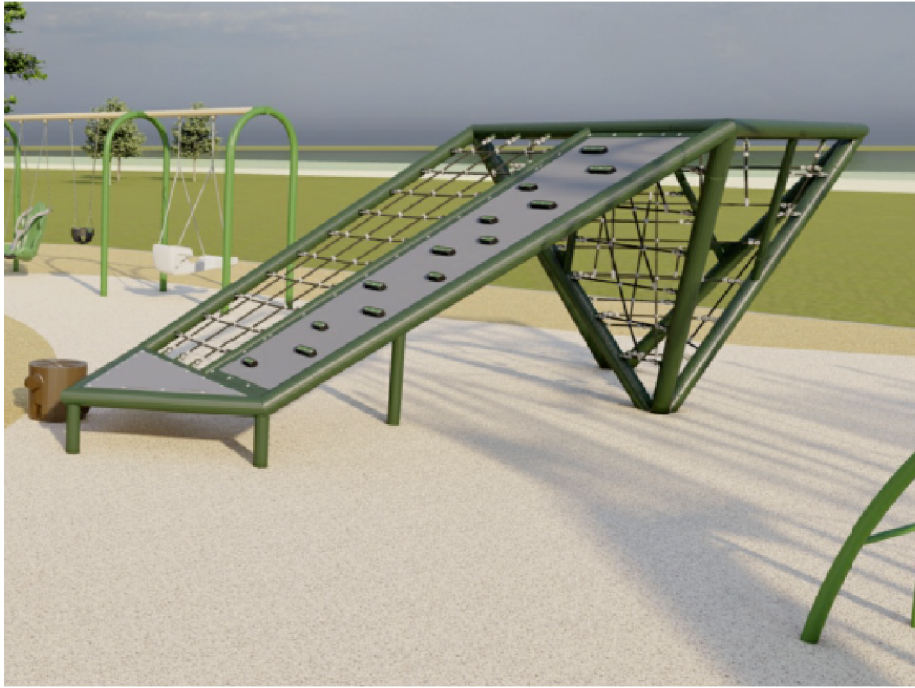

ROCK CLIMBING WALL \$30,000

90° curved wall slopes from 7' (2,13m) to 5' (1,52m) high

NAICA CLIMBER \$30,000

BRAND NEW playground equipment!
Naica (pronounced Nī-Ka) combines triangular climbing nets to encourage skill development through daring exploration. A climbing net sits beside a series of hand and footholds on this sloped climber, motivating kids to forge their own path across Naica's geometric terrain.

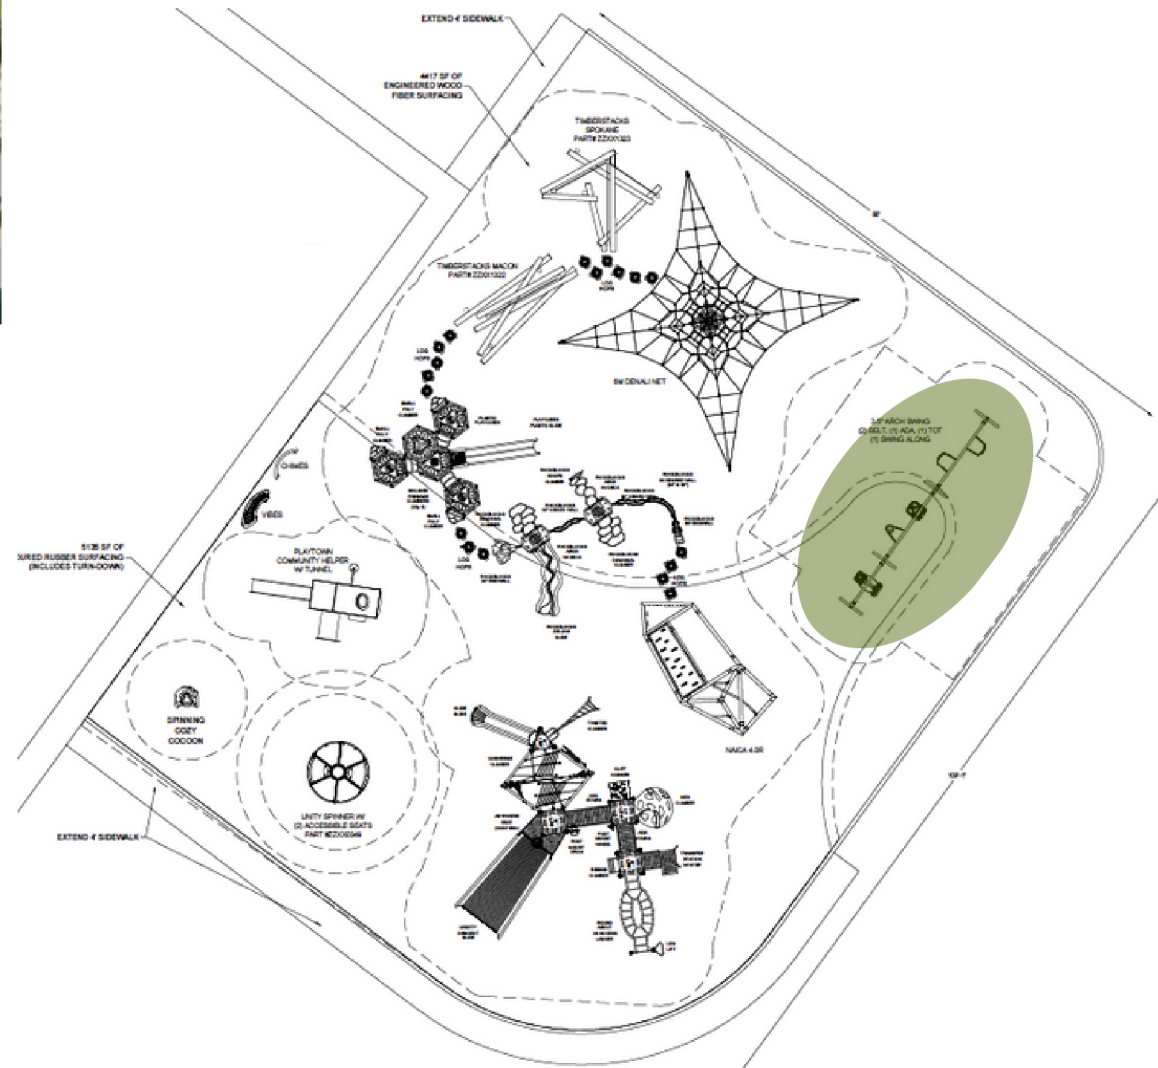

SWINGSET \$25,000

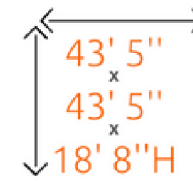

Arch swingset includes:

- 2 regular swings
- 1 early childhood swing (ages 2-5)
- Swing Along (seat for one child under 5 and one for a sibling, parent or caregiver)
- Accessible swing

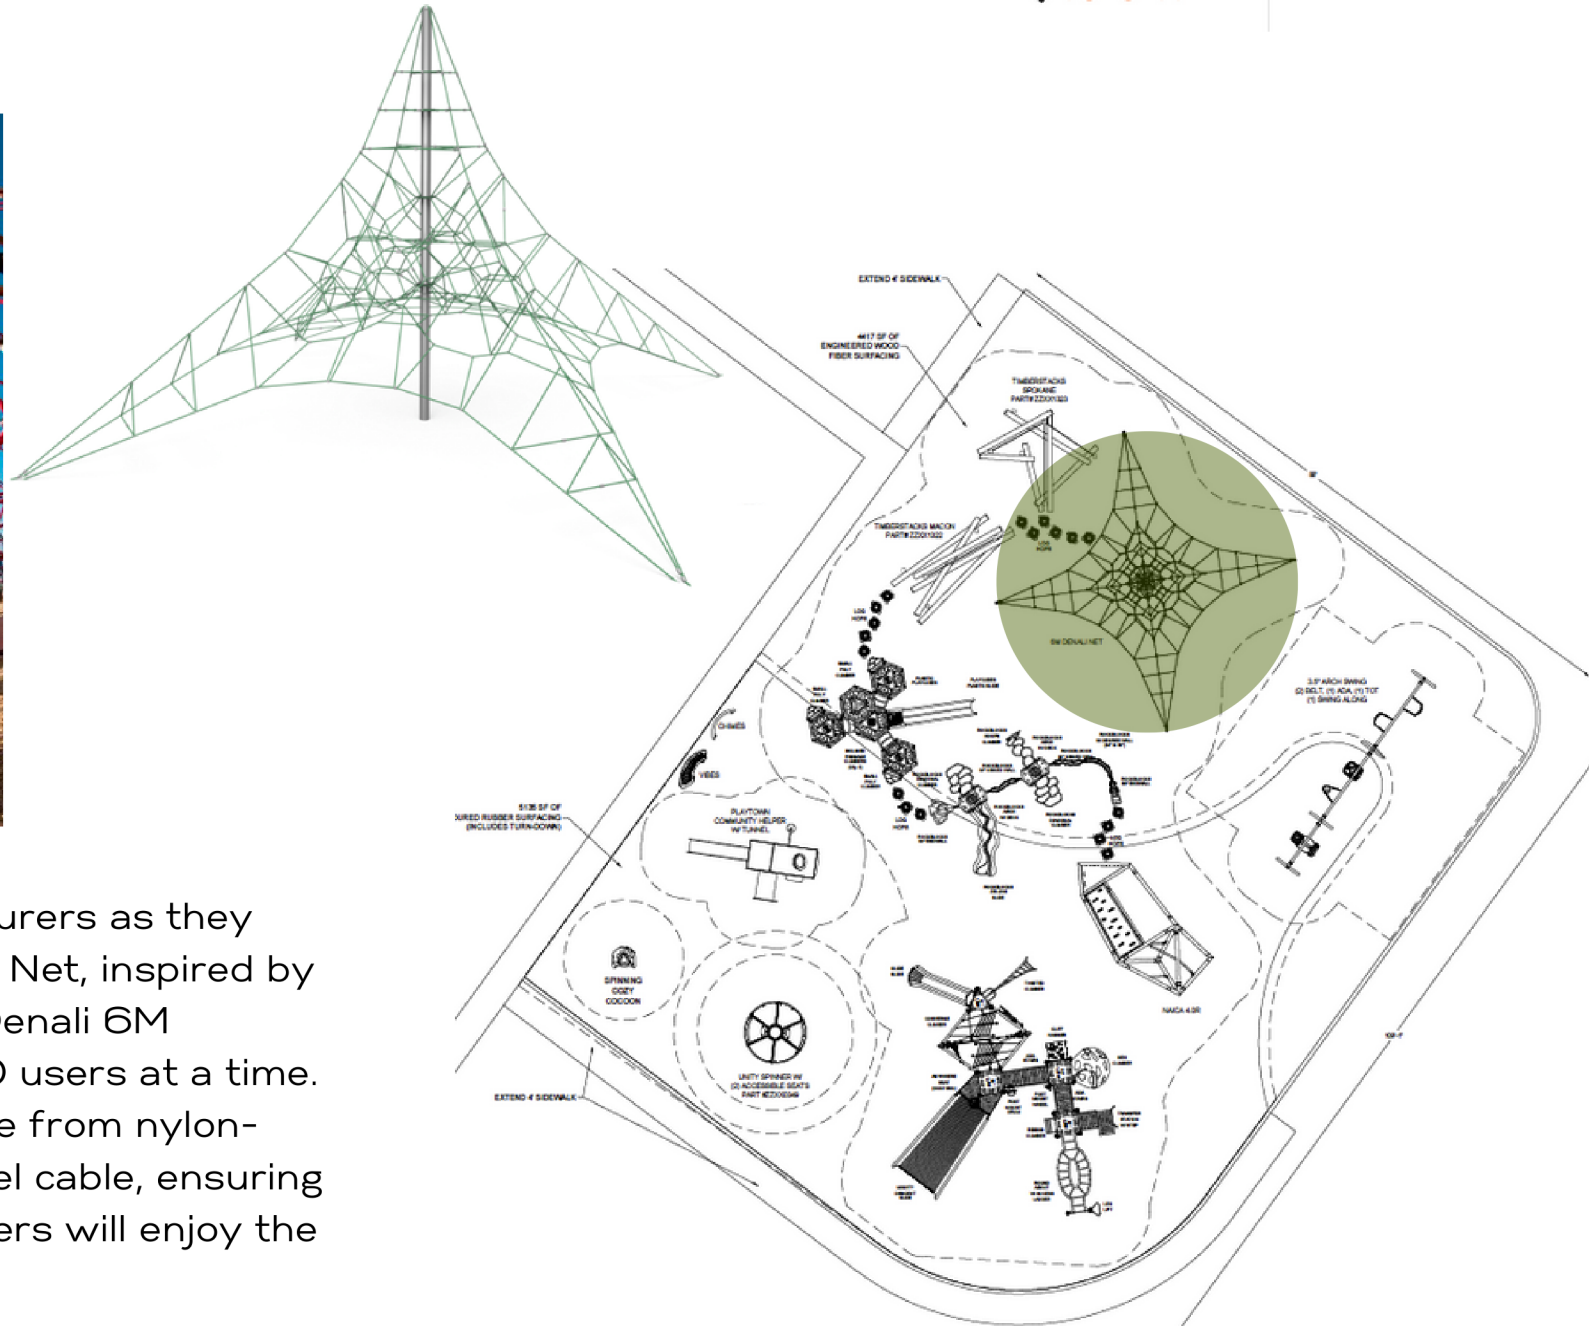

DENALI 6M NET \$25,000

Size

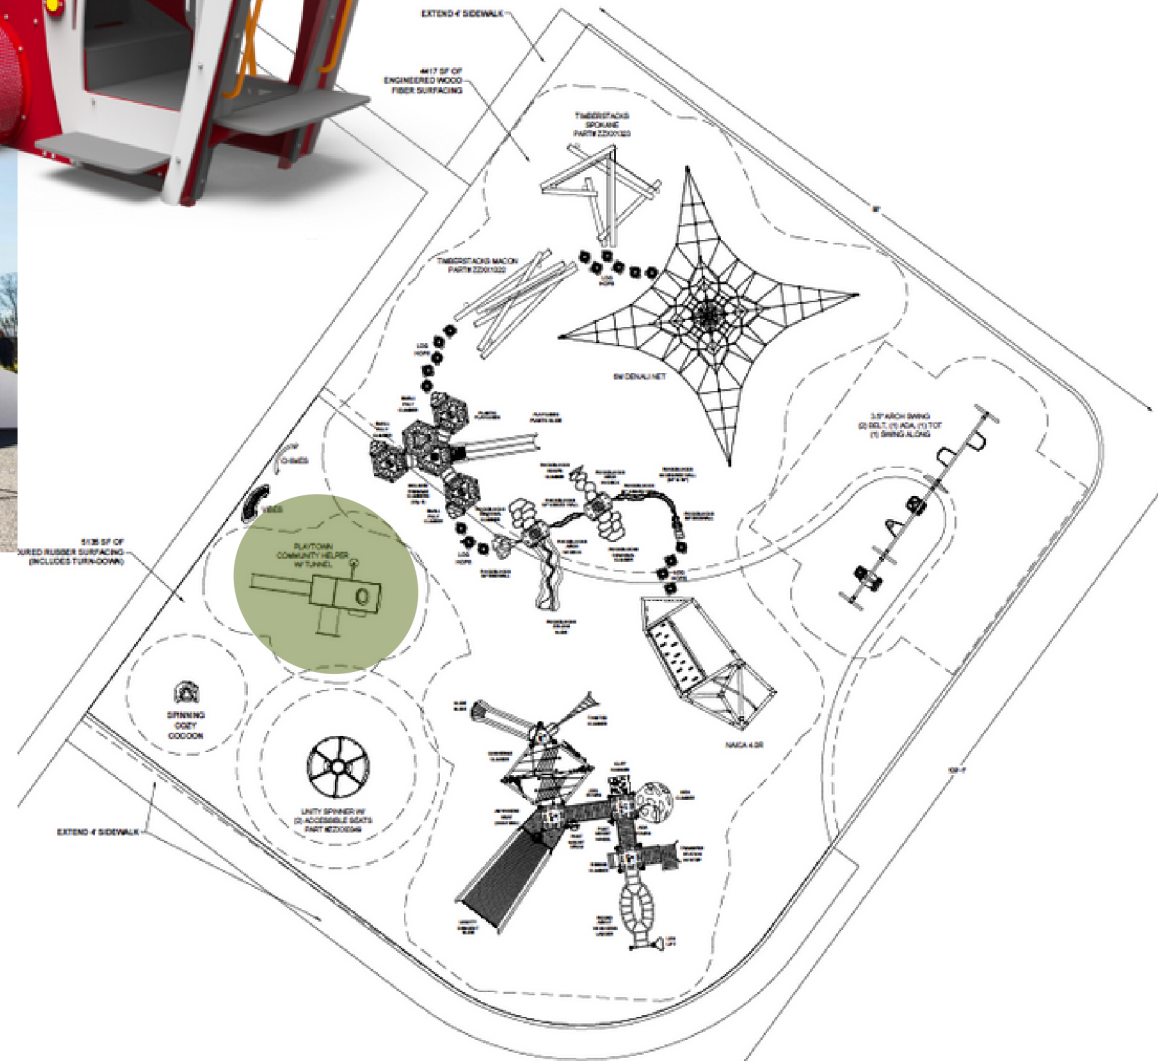

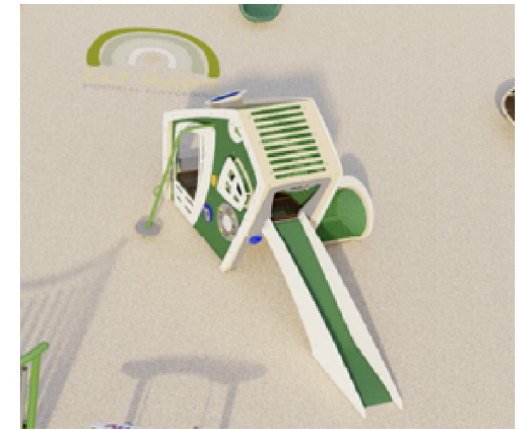

Capacity

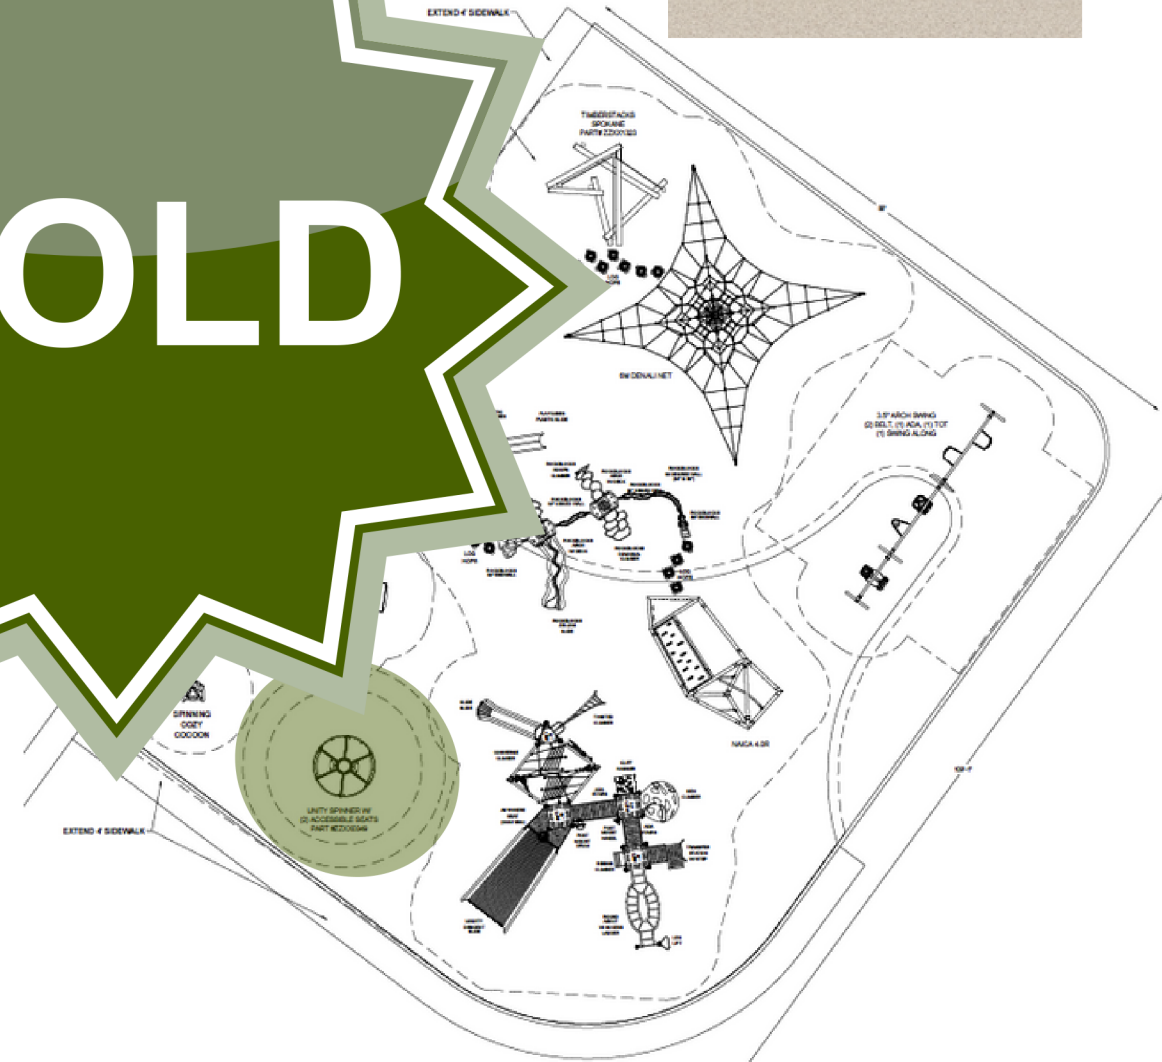

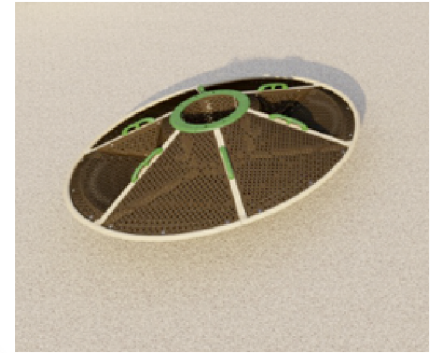

Kids will feel like adventurers as they scale the colossal Denali Net, inspired by the Alaskan mountain. Denali 6M accommodates up to 20 users at a time. Every Denali Net is made from nylon-wrapped galvanized steel cable, ensuring that aspiring mountaineers will enjoy the climb for years to come!

COMMUNITY HELPERS HOUSE \$20,000

This playhouse acts as a community command center, featuring sensory elements such as a walkie talkie, a canine companion, a multi-colored skylight, and an escape slide for a fun getaway! There is also a crawl tunnel attached for another engaging way to enter the play house.

UNITY SPINNER W/ 2 ACCESSIBLE SEATS \$15,000

Inclusive whirl with angled sides derive unique sensation and physically active experience – climb, spin, stand, sit, lay, or balance. With 2 recessed, outward-facing inclusive seats at transfer height with an inward pitch to support children with poor trunk control or without recessed seating. Accommodates many children at once – encouraging cooperation and socialization.

CONCERTO MUSICAL INSTRUMENTS

\$12,000

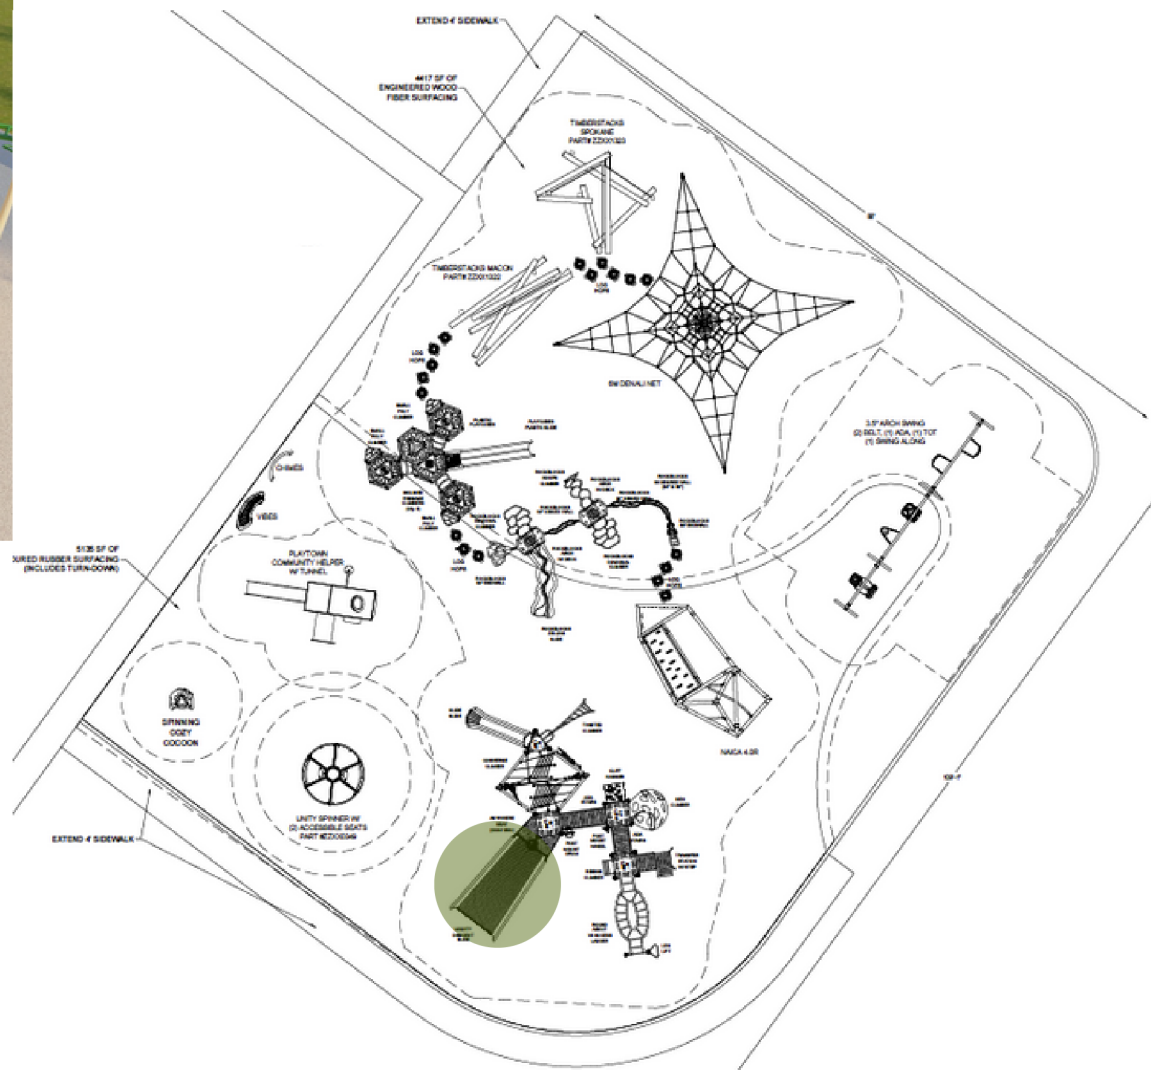

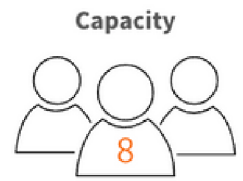

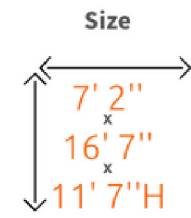

Concerto is a line of outdoor musical equipment that lets kids of all abilities experience the joy and benefits of creating music. Each instrument is designed to be played from multiple angles and heights that are comfortably accessible to all kids, including those who use mobility devices. Concerto musical instruments are an easy way to bring inclusive play to any playground.

When struck with the attached rubber mallets, the Vibes and Chimes play sustained notes that engage kids' senses with vibrations they can hear and feel.

MIGHTY DESCENT SLIDE

\$10,000

Mighty Descent is a daring new play experience from Playworld. Multiple children can enjoy sliding together on this 8-foot, extra-wide slide.
